Organisers Remarks

Handicap awards were for seniors shooting a senior 12 doz round. They were based on the highest unrewarded adjusted score for each gender in each of Bowman, First, Second and Third+ classification groups where the given HC falls within the ranges appropriate to each group for each main bowstyle. 12 doz awards for juniors were based on gold and silver overall in each gender/bowstyle with bronze to the highest unrewarded score in each gender/bowstyle for each Metric round. No clubs qualified for mixed Senior Compound or Non-compound team awards. The Hidden Score was chosen by the Lady P at the start of the shoot.

I hope you all enjoyed the day. Many thanks to Chrissie for judging the whole day on her own, to the catering team and the field party for all their hard work during the day; and to Wendy Plowman for her help with the raffle. The event could not take place without that commitment.
