Weather - Early cloud deteriorated into heavy persistent rain that, combined with a stiff north breeze, made for very unpleasant conditions. It was deemed inappropriate to continue with the full 12 dozen round as all the competitors were juniors and they were getting very cold and wet. Therefore the unanimous decision of the team captains together with the senior judge and the organisers was to reduce the round to a National and declare a result based on the scores at 6 dozen. The weather deteriorated further after the completion of the shoot vindicating this decision.

Thanks to the field party, judges, scorers and the teams for their perseverance.

Below are the East Midlands Archery Society (EMAS) team results for the two disciplines of the competition.
